Changing appointments can happen at anytime or place and it is between the trainer and client to find a new time or cancel the appointment.

For vacation please give as much notice as possible. Please allow as much time as possible before your departure so your trainer is able to adjust their schedule accordingly.

Please bring a set of workout clothes and indoor shoes that are appropriate for the gym, consider that you will be in multiple positions, you'll want the clothes to allow for all movements to be completed comfortably.

We understand that this is a workout space and people sweat but please be mindful that we would like to have a scent free environment.

I have read and complied with YouFit Life **Policy and Procedures** as well as **Client Etiquette Protocol**.
