General Message

Happy February! As we make our way through the heart of winter, there's nothing warmer than the support of a strong community, and that includes you. At Get Energy, we're proud to serve Albertans with reliable, affordable energy, and we owe much of our growth to customers who share their positive experiences with others.

If you're happy with your service, we'd love for you to spread the word. Referrals are one of the most impactful ways to help local energy thrive. Whether it's telling a neighbour over coffee, sharing our name in a community group, or leaving a Google Review, your voice helps others make the switch with confidence.

Every referral supports our ability to keep rates low and service personal. Thank you for being a valued part of our journey and for helping us grow, one kind word at a time.
